The Wednesday night prayer group has been meeting continuously since April 20th, 2016. We meet promptly at 7 P.M. and usually conclude by 8P.M. The format is uncomplicated, open to all and consists primarily of individuals praying in a round-robin fashion. We endeavor to pray for others' needs; and not only our own. We keep a journal to both record answers to prayer and to remind us to continue to pray throughout the week. We have found that these prayer times have also helped us get to know each other in Christian fellowship.

Come and join us in this special time and ministry,

Blessings,
Wednesday night prayer group

PASTOR'S PARAGRAPHS

See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the desert and streams in the wasteland. – God (Isaiah 43:19)

*God is on the move, on the move,
Hallelujah!*

God is on the move

In many mighty ways!

*God is on the move, on the move,
Hallelujah!*

God is on the move,

On the move today!

(7veneth Time Down)

Our church is being blessed by God in ways we haven't seen before, and I'm afraid we might miss his blessings at work if we don't pay attention.

We lost many of our "field hands," those who were willing and able to provide help for our major events, leadership for our Life Groups, teach in our Children's Church, and so on. One new thing I think God is creating is a call for others to come and work in the field in their own unique way. God seems to be saying, "I'm making room for you in the ministries of this church. Come and join me!"

I also think he's creating some new ways of reaching out to people according to the gift mix we now have in our church. One great example is the combined ministry we had during our three "Beach Outreach"

days last month. Jim and Jane Boehm got us connected to the lives of some of the international students they've been involved with by inviting them to surf and socialize with us at Bolsa Chica. I loved it – students from Lakewood getting to know students from other parts of the world! Another example is the continued connection we're making with our sister church in Mexico, *Dios es Amor*. This first weekend of July, a van full of supplies for their VBS-type program that reaches all ages of kids from all around the Ensenada area will be heading down to that church. Thanks to so many of our WLBC family that donated those supplies and the Boehms for driving if there.

More people are volunteering and helping out; more are giving to a special church need; more are seeing what needs to be done and stepping up! This makes me extremely happy and hopeful. Keep it up, West Lakewood, because our God who always surprises with new things is on the move today.

I love you all,

Pastor Sam
